

LAST MILE GLOBAL

Our 6-step Process for Shipping with Us

1

Check out our website and social media to ensure our services meet your needs. (We guarantee it!)

2

Create a free account by selecting the subscription that meets your needs. Use your virtual address as your delivery address at checkout when shopping online.

3

Log in to your dashboard to create a shipment request. Provide the details of the packages we should expect at the warehouse for processing to their final destination.

4

You'll receive an email notification confirming the delivery of your package to our warehouse and an invoice. Log in to your account to pay for your shipments.

5

Receive real-time status updates on your packages via email and on your dashboard.

6

Receive your package at the address you provided within 10 days. All done!
